Globalstar Unlimited Plan

Get unlimited satellite airtime in 2007 for only \$49.99 per month!

With the new Globalstar Unlimited Loyalty plan, the price only goes down each calendar year! 2008? Unlimited airtime for only \$39.99 per month. 2009 and 2010? \$19.99 per month for unlimited airtime. Talk as much as you want. E-mail? No limits. Nights, weekends, weekdays – anytime! We guarantee the low rates through the term of June 30, 2010. Voicemail and express data service included.

Globalstar is the only mobile satellite operator launching spare satellites for our existing network, and building a new generation satellite constellation, scheduled to begin deployment in 2009. With the successful launch of eight spare satellites scheduled for this year, along with our existing satellite network, Globalstar will continue to provide and support two-way voice and data satellite services to our customers through the launch of the second-generation constellation. However, there may be significant gaps in satellite availability depending on where you are and when you attempt a call. Sign up now and get a bonus year of unlimited service for only \$19.99/month for one full year after Second Generation Network launch.

Terms: Customer agrees to maintain active account through June 30, 2010. Monthly fee and Early Termination Fee based on calendar year; 2007 Monthly Fee \$49.99, ETF \$750; 2008, Monthly fee \$39.99 ETF \$500; 2009 and 2010 monthly fee \$19.99, ETF \$250. Monthly bills must be associated with either automatic credit card or direct debit. See Globalstar Subscriber Service Agreement for complete details.

Standard Satellite Phone Sales Terms and Conditions

The signer is duly authorized by the Company to execute this agreement and by signature and date does obligate the Company to accept all terms, conditions and obligations herein.

The Buyer/Company is aware that some countries regulate the use of satphones or may charge license fees for same (especially, but not limited to, Inmarsat phones).

All sales are final. Products returned or refused after shipment or delivery are subject to 20% restocking fee, at IMS' discretion. Service contracts for airtime may have early cancellation fees.

The Buyer/Company specifically assumes all responsibility for:

1. proper use of satphone equipment including licensing requirements in the country of use.
2. all risk of confiscation, forfeiture, loss or damage to the equipment.
3. payment of full purchase and airtime price in the sales agreement or invoice.
4. payment of all airtime service charges incurred on phone, regardless of actual user, even in event of lost phone.

IMS responsibility:

1. IMS reserves title to and a purchase money security interest in any products and all system components delivered until entire invoice is paid in full.
2. IMS bears no responsibility for installation, training or consulting unless specifically so stated in the sales contract.
3. IMS makes no warranty or representation to the Company with respect to the products or their performance or suitability for any particular purpose.
4. IMS is specifically not responsible for availability or lack of satellite connectivity or service anywhere in the world.
5. IMS shall not be liable for any loss, damage or personal injury resulting from the use, misuse, operation, performance or non-performance of the products or services sold hereunder.
6. The Company agrees to indemnify and hold IMS harmless from any and all claims, damages and expenses of every kind, including reasonable attorney's fees, arising out of or relating to any actions taken by the Company or any third party in relation to the products provided herein.

This agreement constitutes the entire agreement between IMS and the Company with regard to this sales contract. This agreement shall be governed by the laws of the State of New York. IMS shall have all rights available to secured parties under the Uniform Commercial Code.
